

# what's hot

**Bling it on.** A handheld floral bouquet can compliment any wedding gown. If you want to compliment your bouquet, look to a unique design to dress up the stems of the bouquet. *Submitted by Dream Designs Florist & Wedding Boutique; photo by Brewer Photo & Video.*

**Shower games.** Forget the bridal gown made of toilet paper; finally there's a wedding shower game that makes gathering before the "I do's" fun for everybody. *Submitted by www.tabletopics.com.*

**Shoo fly.** Having an outdoor wedding? These Fireflies can add a romantic touch to an outdoor ceremony or reception. They're solar powered and easy to use. *Submitted by www.FireflyMagic.com.*

**Bedazzling.** Looking for a unique garter or jeweled lingerie? This is a handmade, one of a kind crystal and pearl garter belt. The set includes the same style jewel bra straps and jewel T-back. *Submitted by www.bedazzlingbybelinda.com.*

**Roll a cigar.** Cigar rolling stations have proven very popular for brides and grooms that want to give guests a unique experience. *Photo by Stehlik Photography.*
